Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane '99 MAR 29 A9:45  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: I do like the special attention  
that I get, especially for my  
health. And Women's Health  
Group do a very good job.
